About Us

Bangkok Thai Cooking Academy (BTCA), operated by **Culinary Training Co., Ltd.**, has been training international students in English since **2010**. We are a leading culinary school in Thailand offering **Thai and Pan-Asian professional chef training, Worldchefs Approved Courses, professional Pastry & Baking training, private chef instruction, casual cultural cooking classes, team building master chef events, and educational field trips.**

Our academy attracts students from all over the world, combining **hands-on training**, professional culinary techniques, and cultural immersion. We teach entirely in **English**, making our courses internationally accessible for professional chefs and novices alike.
